MICRO PACKAGES

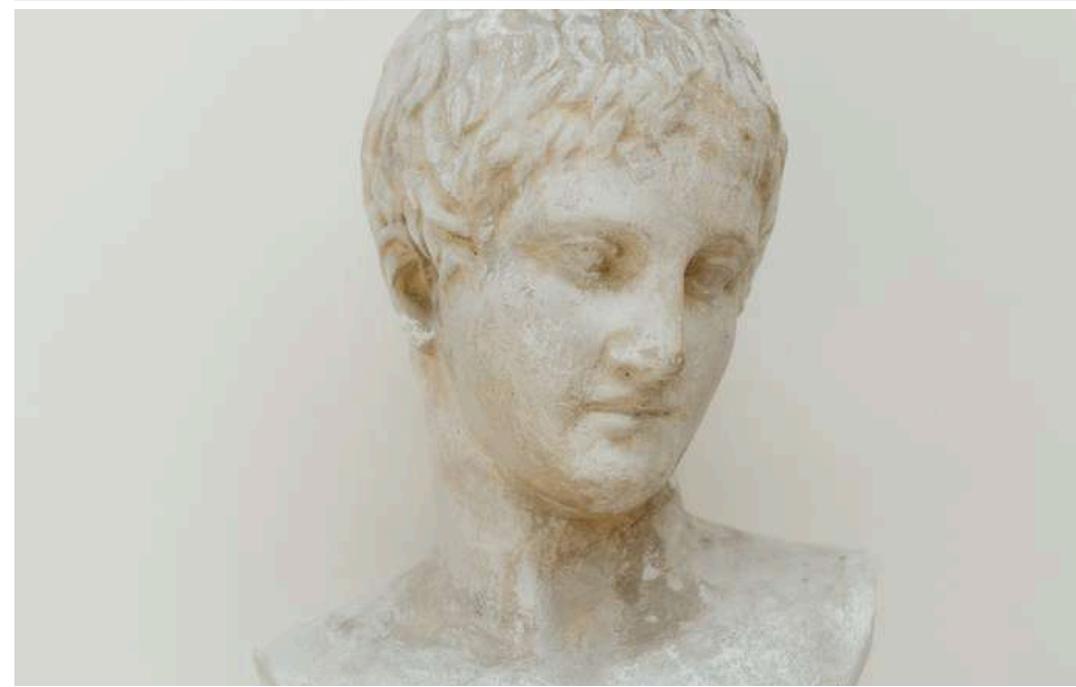

A BIT ABOUT OUR VENUE

Venue Nouveau is a sanctuary nestled deep in the Bronberg mountains, on the urban edge of Pretoria East. We believe that a dream wedding isn't defined by the size of the guest list, but by the depth of the connection. The historic, contemporary architecture of our space offers a storytelling backdrop where every nook and raw imperfection creates an atmosphere of quiet, intentional beauty.

Through Nouveau's industrial black glass windows, the natural, unstructured landscape flows into our modern bohemian-chic venue, offering you and your closest circle a private escape surrounded by a majestic mountain range.

Our Bespoke Micro Wedding Packages have been thoughtfully created to give our lovely brides and grooms the chance to host the wedding day of their dreams in a much more intimate setting. By stripping away the pressure and complexity of a traditional large-scale event, we invite you to truly unwind and savor a hassle-free planning experience. Venue Nouveau wishes you an exciting, stress-free journey as we begin planning your intimate, dream wedding day together.
